

Major

Science Elective

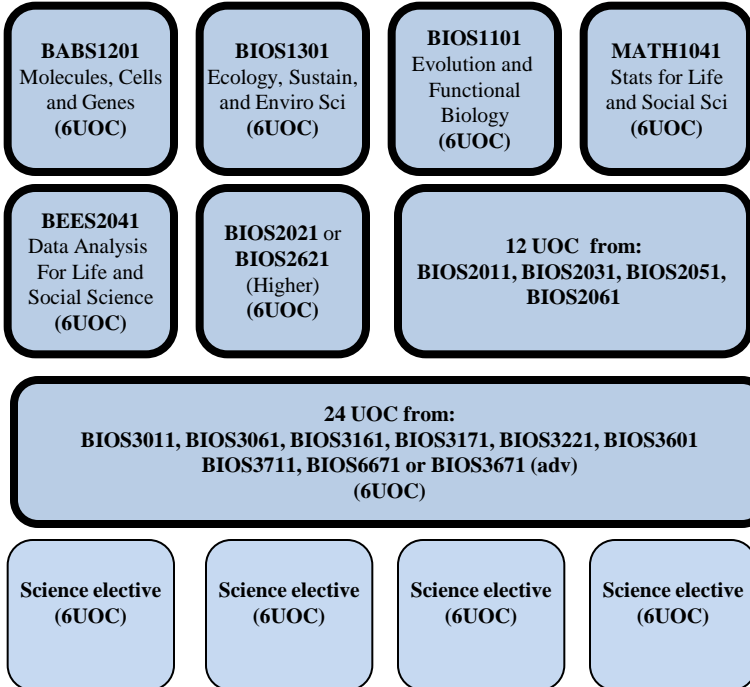

Free Elective

General Education Elective

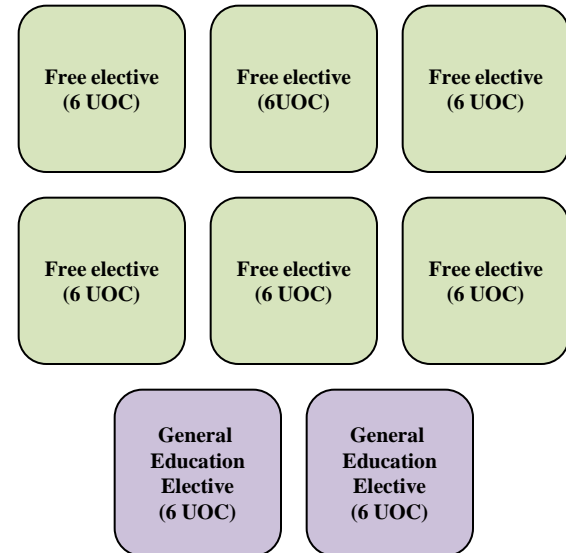

### CORE SCIENCE PROGRAM (96 UOC)

- Is there 24 UOC of level I 'Science' courses included in the major? (Yes – science electives may be at any level.)
- 'Science' courses are defined as per Table 1.
- Science electives can be used to complete a double major.
- **Recommended Electives** (these 6 UOC courses are not required but are recommended as good complementary courses for this major when choosing electives): **CHEM1011 (or CHEM1031), GEOS2071, BIOS3081, BIOS3091, GEOS3911, BEES3041**

### BREADTH (48 UOC)

#### NOTES:

- This breadth component is not completed where students undertake a dual degree program. Instead students combine the core Science program with the core for the other UNSW program;
- Free electives in the single degree may be used to complete a double major.
- Students cannot take 'Science' or GEN# courses as their General Education electives.

### SINGLE DEGREE SCIENCE PROGRAM (144 UOC) [96 UOC core + 48 UOC breadth]

- In the single degree program a maximum of 72 units of credit of level I courses can be taken, including any GEN#### course or mainstream level I course taken to fulfil the 12 UOC general education requirement.
