

Advanced Science Core Major Science Elective Free Elective General Education Elective

CORE SCIENCE PROGRAM (144 UOC)

- Science and free electives (unless indicated otherwise) may be at any level provided the total Level 1 and GEN##### courses does not exceed 72 UOC ;
- 'Science' courses are defined as per Table 1.;
- Science electives can be used to complete a double major;
- **Recommended Electives** (these 6 UOC courses are not required but are recommended as good complementary courses for this major when choosing electives):
GEOS2811, MSCI2001, GEOS3911, BEES3041

BREADTH (48 UOC)

- This breadth component is not completed where students undertake a concurrent degree program. Instead students combine the core Science program with the core for the other UNSW program;
- Free electives in the single degree may be used to complete a double major.
- Students cannot take 'Science' or GEN# courses as their General Education electives.

SINGLE DEGREE SCIENCE PROGRAM (192 UOC) [144 UOC core + 48 UOC breadth]

- In the single degree program a maximum of 72 units of credit of level I courses can be taken, including any GEN##### course or mainstream level I course taken to fulfil the 12 UOC general education requirement.
