

3972 Bachelor of Science (Advanced Science) with a major in Ecology

Advanced Science Core Requirements (144 UoC)

SCIF1121 or SCIF1131	BIOS1101	BIOS1301	GEOS1701
MATH1041	BEES2041	BIOS2011	GEOS2711
6 UoC from: BIOS2031 BIOS2051 BIOS2061	BIOS3601	BIOS3671	Science Elective
12 UoC from: BIOS3061, BIOS3091, BIOS3161, BIOS3681		Science Level 3 Elective	Science Elective
Honours Year (48 UoC)			

Recommended Electives

These courses are not required for this major, but are recommended as good complementary courses when selecting electives:
GEOS2811, MSCI2001, GEOS3911, BEES3041

Single Degree Program = 192 UoC (144 UoC Core + 48 UoC Breadth)

Breadth (48 UoC)

Free Elective	Free Elective
Free Elective	Free Elective
Free Elective	Free Elective
General Education*	General Education*

Breadth component is not completed when students undertake a dual degree program.

*General Education:

Students cannot take 'Science' or GEN_S courses for their General Education electives.

Rules

- The Ecology major is 72 UoC
- The Adv. Science Core is comprised of 'Science' courses so that the *major + SCIF + 'Science' electives + Honours = 144 UoC*
- Students must declare their major before enrolling in Level 2 courses
- Students must complete at least 24 UoC of 'Science' Level 1 courses
- In the single degree, students cannot complete more than 72 UoC of Level 1 courses, including any GEN*##### courses or mainstream Level 1 courses taken for General Education
- Students must complete at least 30 UoC of 'Science' Level 3 courses
- Students may use their Science and/or free electives to complete a double major
- Free electives may be from Science or from any other Faculty at UNSW
