**UNDERGRADUATE SCIENCE**

**SCIENCE PROGRAMS: RE-ENROLMENT FOR 2010**

This form is to be completed by students intending to complete their degree/coursework requirements in 2010 and either graduate or subsequently enrol in honours in 2011. Before completing this form students should consult the **Undergraduate section of the Online Handbook** to confirm that they will be meeting the program requirements for their program for the year that they first enrolled. This form must be completed and returned to the **SCIENCE STUDENT CENTRE** by fax, mail, or in person by the 15<sup>th</sup> January 2010 to ensure that your enrolment is checked prior to the start of semester 1. We are unable to guarantee that we will be able to process forms received after this date prior to the start of semester. Where your proposed enrolment below enables you to complete your program / coursework requirements in 2010, you will not be contacted. Only where there is a problem with your proposed enrolment and intention to graduate will an email be sent to your student email account.
