

Science Core Requirements (96 UoC)

MATH1131 or MATH1141	MATH1231 or MATH1241	Science Level 1 Elective	Science Level 1 Elective
MATH2011 or MATH2111	MATH2501 or MATH2601	MATH2801 or MATH2901	MATH2831 or MATH2931
MATH3801 or MATH3901	MATH3811 or MATH3911	MATH3821	6 UoC from: MATH3831, MATH3841, MATH3851
Science Elective	Science Elective	Science Elective	Science Elective

Recommended Electives

These courses are not required for this major, but are recommended as good complementary courses when selecting electives: **MATH1081**

Breadth (48 UoC)

Free Elective	Free Elective
Free Elective	Free Elective
Free Elective	Free Elective
General Education*	General Education*

Breadth component is not completed when students undertake a dual degree program.

*General Education:

Students cannot take 'Science' or GEN\$ courses for their General Education electives.

Rules

- The Statistics major is 60 UoC
- The Science Core is comprised of 'Science' courses so that the *major* + 'Science' electives = 96 UoC
- Students must declare their major before enrolling in Level 2 courses
- Students must complete at least 24 UoC of 'Science' Level 1 courses
- In the single degree, students cannot complete more than 72 UoC of Level 1 courses, including any GEN*#### courses or mainstream Level 1 courses taken for General Education
- Students may use their Science and/or free electives to complete a double major
- Free electives may be from Science or from any other Faculty at UNSW

Single Degree Program = 144 UoC (96 UoC Core + 48 UoC Breadth)
