

3972 Bachelor of Science (Advanced Science) with a major in Marine and Coastal Science

Advanced Science Core Requirements (144 UoC)

SCIF1121 or SCIF1131	BABS1201	BIOS1101	GEOS1701
MATH1041	6 UoC from: GEOS1111, GEOS1211	BEES2041	BIOS2031
GEOS2721	MSCI2001	MSCI3201	BIOS3091
BIOS3681	GEOS3731	MSCI3001	Science Elective
Honours Year (48 UoC)			

Recommended Electives

These courses are not required for this major, but are recommended as good complementary courses when selecting electives:
BIOS2011, GEOS2181, GEOS2291, GEOS2711, GEOS2811, GEOS2821, BIOS3111, BIOS3671, GEOS3281, GEOS3761, GEOS3811, GEOS3911, GEOS3921, MICR3071

Single Degree Program = 192 UoC (144 UoC Core + 48 UoC Breadth)

Breadth (48 UoC)

Free Elective	Free Elective
Free Elective	Free Elective
Free Elective	Free Elective
General Education*	General Education*

Breadth component is not completed when students undertake a dual degree program.

*General Education:

Students cannot take 'Science' or GEN~~S~~ courses for their General Education electives.

Rules

- The Marine and Coastal Science major is 84 UoC
- The Adv. Science Core is comprised of 'Science' courses so that the *major + SCIF + 'Science' electives + Honours = 144 UoC*
- Students must declare their major before enrolling in Level 2 courses
- Students must complete at least 24 UoC of 'Science' Level 1 courses
- In the single degree, students cannot complete more than 72 UoC of Level 1 courses, including any GEN*#### courses or mainstream Level 1 courses taken for General Education
- Students must complete at least 30 UoC of 'Science' Level 3 courses
- Students may use their Science and/or free electives to complete a double major
- Free electives may be from Science or from any other Faculty at UNSW
