

3972 Bachelor of Science (Advanced Science) with a major in Pathology

Advanced Science Core Requirements (144 UoC)

SCIF1121 or SCIF1131	BABS1201	BIOS1101	CHEM1011 or CHEM1031
CHEM1021 or CHEM1041	ANAT2241	BIOC2101	PATH2201
6 UoC from: ANAT2111, BABS2202, MICR2011	PATH3205	PATH3206	6 UoC from: ANAT3212, BABS3041, PATH3207, PATH3208
Science Level 3 Elective	Science Level 3 Elective	Science Elective	Science Elective
Honours Year (48 UoC)			

Recommended Electives

These courses are not required for this major, but are recommended as good complementary courses when selecting electives:

MATH1041

Single Degree Program = 192 UoC (144 UoC Core + 48 UoC Breadth)

Breadth (48 UoC)

Free Elective	Free Elective
Free Elective	Free Elective
Free Elective	Free Elective
General Education*	General Education*

Breadth component is not completed when students undertake a dual degree program.

*General Education:

Students cannot take 'Science' or GEN_S courses for their General Education electives.

Rules

- The Pathology major is 66 UoC
- The Adv. Science Core is comprised of 'Science' courses so that the *major + SCIF + 'Science' electives + Honours = 144 UoC*
- Students must declare their major before enrolling in Level 2 courses
- Students must complete at least 24 UoC of 'Science' Level 1 courses
- In the single degree, students cannot complete more than 72 UoC of Level 1 courses, including any GEN*##### courses or mainstream Level 1 courses taken for General Education
- Students must complete at least 30 UoC of 'Science' Level 3 courses
- Students may use their Science and/or free electives to complete a double major
- Free electives may be from Science or from any other Faculty at UNSW
