| Program Structure |                        |            |                |
|-------------------|------------------------|------------|----------------|
| Major             | 66 UoC<br>(11 courses) | 108<br>UoC | <b>144 UoC</b> |
| Science Electives | 42 UoC<br>(7 courses)  |            |                |
| Free Electives    | 24 UoC<br>(4 courses)  | 36 UoC     |                |
| General Education | 12 UoC<br>(2 courses)  |            |                |

In addition to the courses required for your major, students must also take *Science Electives*, *Free Electives*, and *General Education* courses. Students may use their Science Electives and/or Free Electives to complete a second major or minor.

**Check the Vision Science Major page in the Handbook for recommended electives.**

**Please Note:** Semester offerings are subject to change, please check the timetable prior to planning for your enrolment.

**Science Electives** are courses taken from within the Faculty of Science, as defined by *Table 1* in the Online Handbook.

**Free Electives** may be from Science or from any other Faculty at UNSW.

**General Education** courses cannot be Science courses, and Science students cannot take GENS courses for their General Education.

Students cannot complete more than 72 UoC of Level 1 courses including any GEN courses and Level 1 courses taken for General Education.

Information correct for students commencing the Bachelor of Science in 2017

| Science Electives                    | 30 UoC<br>(5 courses)  |        |         |
| Other degree*                        | 96 UoC<br>(16 courses) |        |         |

Information correct for students commencing the Bachelor of Science on dual mode in 2017  
 \*This template is not suitable for Engineering or Law dual degrees – please see Science faculty

**Check the Vision Science Major page in the Handbook for recommended electives.**

**Please Note:** Semester offerings are subject to change, please check the timetable prior to planning for your enrolment.

In addition to the courses required for your major, students must also take *Science Electives* to make a total of 96 UoC. Students may use their Science Electives to complete a second major or minor.

**Science Electives** are courses taken from within the Faculty of Science, as defined by *Table 1* in the Online Handbook.

**General Education courses** are not allowed in dual degree programs (GEN##### coded courses)
